(c) **THE REQUESTED TIME EXTENSION**

The Investor continues to work diligently towards the filing of its Counter-Memorial. However, it appears that the extraordinary and tragic family crisis has pushed the timeline too much.

Given these impacts, the Investor has been experiencing significant delays in preparing its Counter-Memorial on Jurisdiction and respectfully requests a 49-day enlargement of time to file its Counter-Memorial on Jurisdiction, up to and including March 1, 2021.

Based on the preceding, Tennant Energy respectfully requests that the Tribunal grant the following modification of the procedural schedule:

	Current Date	Proposed New Date
Investor's Counter-Memorial on Jurisdiction	January 11, 2021	March 1, 2021
Respondent's Reply Memorial on Jurisdiction	February 25, 2021	April 15, 2021
Investor's Rejoinder Memorial on Jurisdiction	April 11, 2021	May 31, 2021
Submissions of the United States and Mexico Pursuant to NAFTA Article 1128	May 11, 2021	June 29, 2021
Responses to 1128 Submissions, if any	May 26, 2021	July 14, 2021

The remaining dates on the procedural calendar would remain unchanged.

Respectfully submitted,
