Subject: RE: PCA Case No 2018-54 Tennant Energy LLC v. Government of Canada

Dear Mr. Aragon Cardiel,

Canada acknowledges the correspondence from the PCA on behalf of the Tribunal this morning. As it has done for the past week, Canada will continue to attempt to work with counsel for the Claimant to ensure a useful schedule is provided to the Tribunal. We note as well that, as a matter of clarity for the record, the Claimant's correspondence of 8:52am and 9:31am EDT with respect to the schedule were sent on its own behalf, and not on behalf of both disputing parties, or with consultation from Canada.

Sincerely,
Heather Squires
