No. 110. 11th July. Your telegram No. 73 confidential. * Following from
Chief Boundary Commissioner.

Begins.—Satisfactory agreement has been signed by the Netherlands Com-
missioner regarding Kutari and we have also fixed the boundary mark at the
mouth of Courantyne. We have marked direction of the boundary seawards
on the bearing of 10 degrees instead of 28 degrees which intersects navigation
channel. 10 degrees line is parallel to the channel and leaves it entirely in Dutch
territory thus avoiding divided control of buoys, etc. Hope no objection here (?to
this amendment which the Governor approves.—Ends.
