REPORT : SEIZURE OF SURINAMESE VESSEL - SUGAM 28

1. On Thu 95-08-17, I 99203 Lt (CG) Derrick Erskine, Midshipman Todd, SPO Richmond, PO Frank along with two (2) employees of Georgetown Seafoods boarded Seafoods Patrol vessel "HAMPTON ROAD" to conduct a Joint Fisheries Protection Patrol involving members of the Coast Guard and Georgetown Seafoods in Zones 4 and 5.

2. The patrol departed Headquarters Coast Guard at 1650 hours with Lt (CG) Erskine being Patrol Commander. On 95-08-18 at approximately 0345 hours the patrol intercepted a Surinamese based vessel "SUGAM 28" engaged in fishing in position Latitude 06° 25' M Longitude 57° 02' W, (which is 12 miles West of the Eastern Boundary Line and 17 miles off No. 63 Village). I called out to the Captain of SUGAM 28 to stop his vessel which he did immediately and enquired why he was fishing in Guyana's waters, which he replied saying that he is not in Guyana's waters but Suriname's as that is the information he had received from his authorities in Suriname. I then instructed Midshipman Todd, SPO Richmond and PO Frank to board and search the vessel and a quantity of prawns and mixed fish were discovered in the fish hold. Realising that the vessel is not permitted to fish in Guyana Fisheries Zone I then ordered Midshipman Todd to take command of the vessel and proceed to Headquarters Coast Guard. The SUGAM 28 under escort of "HAMPTON ROAD" arrived and was secured at Headquarters Coast Guard at 181303 hours.
